REQUEST FOR AN EXTENSION OF TIME

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

S I R:

It is requested that an extension of time be granted for one month to August 18, 2005 for responding to the Office Action of April 18, 2005.

Although the Office Action was reported in time to the applicant, the additional time was needed to consider the complex issues in the Office Action, to consider the Examiner's comments in the telephone interview had with her, and to formulate a proper response thereon.

For these reasons, it is believed that the "Request for an Extension of time" is justified, and is respectfully

solicited.
